Scene 1

*A group of young people are sitting in a semi-circle around Trying to be in charge kid. Maybe he has a podium and a hammer*

TRYING TO BE IN CHARGE KID:

Hear Ye. Hear Ye. The first ever meeting of the uselessly super powered superhero club is now called to order. My Name is "trying to be in charge kid" Well, well. Who are you?

(Trying To get Attention girl enters breathlessly)

TRYING TO GET ATTENTION GIRL:

I'm "Trying to get attention girl" Notice how I get noticed by coming into the meeting late.

CAN'T WAIT KID:

Is this meeting over yet? When will this meeting be over?

TRYING TO BE IN CHARGE KID:

It just started. Who are you?

CAN'T WAIT KID:

I'm "Can't Wait Kid"

TRYING TO GET ATTENTION GIRL:

Before the meeting is finished, I will sing you my newest song. I wrote it myself.

CAN'T WAIT KID:

Oh boy I can't wait.

CAPTAIN "SAYING WHAT EVERYBODY ALREADY KNOWS":

You see, "trying to get attention girl" wants everybody to pay attention to her, and "can't wait kid" can't wait. Hi. I haven't introduced myself. I'm Captain "Saying what everybody already knows" and you are in charge of this meeting. And I'm talking at the moment.

TRYING TO BE IN CHARGE KID:

Please sit down.

CAN'T WAIT KID:

When do we get a snack? Soon I hope.

TRYING TO GET ATTENTION GIRL:

Oh for goodness sakes. I forgot to brush my hair a hundred times. But it still looks pretty don't you think?

(CONTINUED)

TRYING TO BE IN CHARGE KID:

Please everyone sit down. Now the reason I have called you all together is . . .

MISS AGREEABLE:

You are so right. You are so so right. I can see why you are in charge.

TRYING TO GET ATTENTION GIRL:

Oh be quiet "Miss Agreeable" That is the most annoying superpower that was ever created.

MISS AGREEABLE:

I know. You are so right. You are so right. It's an annoying power. It really is.

CAN'T WAIT KID:

It isn't that bad.

MISS AGREEABLE:

No, it really isn't, is it?

CAN'T WAIT KID:

Are you by any chance related to Wishy Washy Woman? I can't wait to find out.

MISS AGREEABLE:

That's my mother. How did you know that?

CAN'T WAIT KID:

Lucky guess.

CAPTAIN "SAYING WHAT EVERYBODY ALREADY KNOWS":

Um we've been meeting for a while now and we still don't know why. We know everybody's name who is here. And we know that "Trying to get attention" girl thinks Miss Agreeable is annoying.

TRYING TO BE IN CHARGE KID:

Thank you for that summary, Captain "Saying what everybody already knows". Now as I was saying.

TRYING TO GET ATTENTION GIRL:

Hello, may I have everyone's attention please.

TRYING TO BE IN CHARGE KID:

Do you have something important to say?

TRYING TO GET ATTENTION GIRL:

No, I just wanted everyone's attention. Look. Isn't it pretty how my hair swishes back and forth when I move? I'm using a new shampoo. It smells like oranges.

MISS AGREEABLE:

It really is pretty. It really is. And it does smell like oranges.

TRYING TO GET ATTENTION GIRL:

Listen everybody - this is my new best friend.

MISS AGREEABLE:

Yes, we're the best friends there ever was.

TRYING TO BE IN CHARGE KID:

Listen. Everybody. This is important. The most evil super villain of all time has arrived in town and we need to prepare to fight him.

CAN'T WAIT KID:

I can't wait.

VILLAIN:

Too late. I am here. And no silly uselessly powered Super-Heroes are going to stop me from taking over the whole world.

CAPTAIN "SAYING WHAT EVERYBODY ALREADY KNOWS":

The villain is already here, and he want's to take over the whole world.

MISS AGREEABLE:

He's right you know. No uselessly super powered heroes can stop him from taking over the world if he wants to.

VILLAIN:

Of course I am. Everyone might as well give up now, and work for me instead.

MISS AGREEABLE:

OK.

TRYING TO BE IN CHARGE KID:

Miss agreeable come back. Don't give up! Come back!

MISS AGREEABLE:

OK.

VILLAIN:

No. You must work for me.

MISS AGREEABLE:

OK.

CAPTAIN "SAYING WHAT EVERYBODY ALREADY KNOWS":

Miss agreeable does what anybody asks her.

TRYING TO BE IN CHARGE KID:

Miss Agreeable, don't do what anybody asks you to do.

CAPTAIN "SAYING WHAT EVERYBODY ALREADY KNOWS":

You told her told her to not to do what anybody tells her to do - but that includes you.

CAN'T WAIT KID:

I can't wait to see how she does that.

MISS AGREEABLE:

If I do what you said then I wouldn't do what you said but if I don't do what you said then I would do what you said. I am soooo confused. I think - I think I'll just do what I think I should do from now on (thinks for a moment) but I'll do it very agreeably.

TRYING TO GET ATTENTION GIRL:

I have a new color of fingernail polish on. It looks really pretty. (nobody looks) Oh my gosh. A bug. (nobody looks) A giant nasty bug. Miss agreeable come and look. (miss agreeable ignores her) I think I'm going to faint. (pretends to faint but nobody notices)

VILLAIN:

One way or the other the world will tremble before me. They will cower, and stoop. And I shall be ruler of everything. Everything. Ha ha ha ha. But I'll tell you what - I won't do it if you can guess my name.

CAN'T WAIT KID:

Oh, I can't wait to find out. Can we just do this and get it over with. There's something I want to watch on tv. Lets just say his name is Rumpelstiltskin and be done.

TRYING TO BE IN CHARGE KID:

But who are you? We could defeat you if only we knew who you were.

VILLAIN:

You shall never know, just as you shall never know the pain and sadness deep in my heart. The sadness of a childhood without love, the pain of being different. That drove me to my evil behavior. But I will make them all pay. Haha ha ha. Now is my moment.

TRYING TO BE IN CHARGE KID:

If only we knew who he was. Does, any one have a clue?

CAPTAIN "SAYING WHAT EVERYBODY ALREADY KNOWS":

Well, he talks way too loudly, and boy does he over act.

TRYING TO BE IN CHARGE KID:

That's it! Thank you "Captain Saying What Everybody Knows" I've figured it out. You are "bad actor" kid.

VILLAIN:

Curses. You know. But so what. I shall destroy you all anyway. For your powers are nothing, and I have the ultimate, most powerful. . .

MOM:

Bobby!!!

VILLAIN:

The most powerful force in the world. .

MOM:

Bobby. Come on now. It's time to go.

VILLAIN:

But Mom. I was about to destroy the super heroes and take over the world.

MOM:

That's nice dear, but I'm late for my appointment with your teacher. Come on. Say goodbye to everyone.

VILLAIN:

Bye. See you later. I'll get you next time.

CAPTAIN "SAYING WHAT EVERYBODY ALREADY KNOWS":

And so we were saved by one of the most powerful heroes in the universe.

EVERYONE:

The Mom.
